		The cancellation of 1963 is on a stamp issued in 1969. Apparently the canceller was returned to Mbabane, as one item seen was on a registered letter with only “SENIOR POSTMASTER MBABANE” as sender and no other backstamps (FH). It is not unusual for a TtA to have a P.O. canceller. A1960 impression was on a letter to Dr Harvey Pirie.
