

MAFALDA'S WORLD

Mafalda, was brought to life in 1964, has been translated and edited into numerous languages, at the beginning these comic strips, collected managed to be the bestselling in book fairs. She has won several international and national awards in his home country, Argentina. The humor that Quino (Joaquín Lavado) graphic humorist, born in Mendoza, Argentina in 1932. As he calls it the highest representative of magical realism, Quino's work has brought to the world the Quino's character. The character of a girl with a picturesque criterion has a family and friends that form a single group. She is described as a simple middle-class girl committed to her ideals, she worries about the world and does not understand how adults can take it without grace and with just innocence. Realistic and social, she makes innocent but insightful questioning that lives up to her ideals. She convinced at a young age, she is continuing with a social struggle through her political manifestos where she can raise her voice, in preparation for a future revolution.

1. MAFALDA AND THE WORLD

Mafalda. She is a girl with slightly fluffy black hair, which she ties with a bow, this being one of her main characteristics. Ela mafalda has a globe to which she speaks, and she sees it as if she were a living being, sick from so many things that human beings do. Mafalda is a little girl concerned about humanity and world peace, who rebels against the way the world is. At the beginning of the cartoon she is six years old and the following March she enters kindergarten.

Mafalda, Rosario, Argentina - Hamburg, Germany, May 11, 1982. Through the "Provincia Mafalda Ship", using the correct rate of 12 cents for a surface letter to LPU countries.

1.1 MAFALDA AND SCHOOL

Mafalda's school practice is indicative of the traditional education model, including Americanism in language; Mafalda protests since instead of educating himself, he raises a programmed prototype without allusion to the formation of criteria. The school as it is presented is rigid, punitive, inflexible, where it seeks to fill the student's head, like a container where only content is thrown, not contributing to critical growth on the little kids.

Importante para envío en un sobre postal. El pago debe acreditarse de la impresión en el sobre.

Mafalda exclaims in the classroom addressing the teacher "And now please teach us really important things."

Córdoba, Argentina, Huehustanango, Guatemala, May 24, 1999

1.2 MAFALDA AND SOUP

Mafalda hates soup and denounces whenever possible the inconveniences it has on the health and on the humor of sensible people. Eating soup goes against her principles, but she generally has the upper hand and she has to learn to swallow her frustration by the spoonful. That doesn't stop her from expressing her frustration by saying "ENOUGH"

Priority Mail, Buenos Aires, Argentina - Miami, Florida, USA, using the rate up to 50 grams of 4.5 Euros, 4 stamps of 4.5 Euros are 4.5 Euros, plus a stamp of 10 cents to complete the rate of 4.5 Euros.

What are chickens guilty of? No problem! Your mother hands are red in the broth of innocents!!!

Digital lithographic printing, value of 0.10. This stamp was designed for shipments of up to 50 grams destined for America and the Caribbean from Guatemala.

Digital lithographic printing, value of 0.10. This stamp was designed for shipments of up to 50 grams destined for America and the Caribbean from Guatemala.

1.3 MAFALDA, NEWSPAPER, RADIO AND TV

Mafalda turns on the radio which indicates in her speech "The boys are in the classroom, tell me: are the boys in the living-room?" the little Mafalda says euphoric yells at the top of her lungs: foreign troops have invaded the country and occupied the radio stations! Again the completion of the radio program indicates "and thus ends one more lesson of our radio course: let's learn English", Mafalda with a frown reproaches the radio alarmist!

Buenos Aires, Germany - Miami, Florida, USA, January 2001. International rate from Germany of 1.1 Euro.

1.4 MAFALDA AND THE O.N.U

When I grow up I will learn languages, I will study English... Russian... I'm going to work as an interpreter at the ONU. In this way, I will help people understand each other, problems and wars will end and the world will be safe.

When a delegate of his speech or says to others, "Your countries are disgusting", I am going to translate "Your countries are a charm", and of course no one will be able to fight.

Source sheet

Building where Mafalda hopes to work in the future, the United Nations.

There it is, that little dove does not know what money is and yet it is happy. Hello, Are you the Dove of Peace?

Innocently Mafalda tells her father, We saw a program on TV about the ravages of drugs. Dad, did you ever try? To which he replies: But tell me, do I have a Vicious face? Eeshh.

United Nations working office in New York, printing on sheets of 20 stamps with a face value of \$ 12.48 each sheet.

1.5 MAFALDA AND CHRISTMAS EVE

Agencia Christmas Bunker issued December 31, 2017

The proximity of the Christmas festivities was evident, and Mafalda's father prepared to place a tree like the one Mafalda wanted, leafy and large, placing each of the ornaments the father said and he on top of everything, the star that guided kings to Bethlehem, then he got ready to connect the lights to finish the ornamentation; The Pope said: do you know what the kings carried in their saddlebags? When everything suddenly turns dark and an electric shock line is seen, Mafalda said yes, yes!

Guatemala City Local Mail, circulated on the first day of issue December 6, 2017

Agencia short of the Argentine Post Office Christmas Year Souvenir, December 21, 2017

USA Christmas Souvenir

Mafalda refers to the Christmas festivities, the end of the year and the Three Kings. Doubts about the mythical "next year" go hand in hand with her emotion for the arrival of the Three Kings.

Mafalda and her friends are preparing to sing Christmas carols so Mafalda introducing which operator teacher indicates Peoples of the world! Listen I, beginning in chorus with children full of joy, they sing in unison "Noochoche de paz, Noochoche de amor", Mafalda interrupts the concert and asks: "Before continuing I would like to know if the lyrics are understood."

Reverse of the postal stationary card, value 30 pesos.

Source sheet

The little friends of Mafalda in unison shout to the world Happy Holidays to All! Susanita reproaches and says, Wouldn't it be convenient to clarify that we all say this without disgust at the prospect of mixing our happiness with anyone's? I mean, so as not to ruin the message of our love greeting, huh? so that nobody is going to think that any of us have prejudices, eh? It would be a shame not to make it clear that on dates like these one has social sensitivity and everything, eh?

2. MAFALDA AND HER FRIENDS

2.1 FELIPE

Felipe is a blond boy with hair combed forward, in the shape of a pompadour. The most prominent feature of him is his elongated face that ends in a mouth with two very prominent incisor teeth.

The Lone Ranger

Felipe likes the Lone Ranger comics, The Beatles, chess and soccer. He is a dreamy boy who imagines himself in different situations, as an astronaut, a superhero or Christopher Columbus.

Stamp with signal on the back

Felipe and the space

Ordinary Mail, Montevideo Uruguay - Guatemala, correct rate of 85 Pesos.

Mafalda plays with her friends

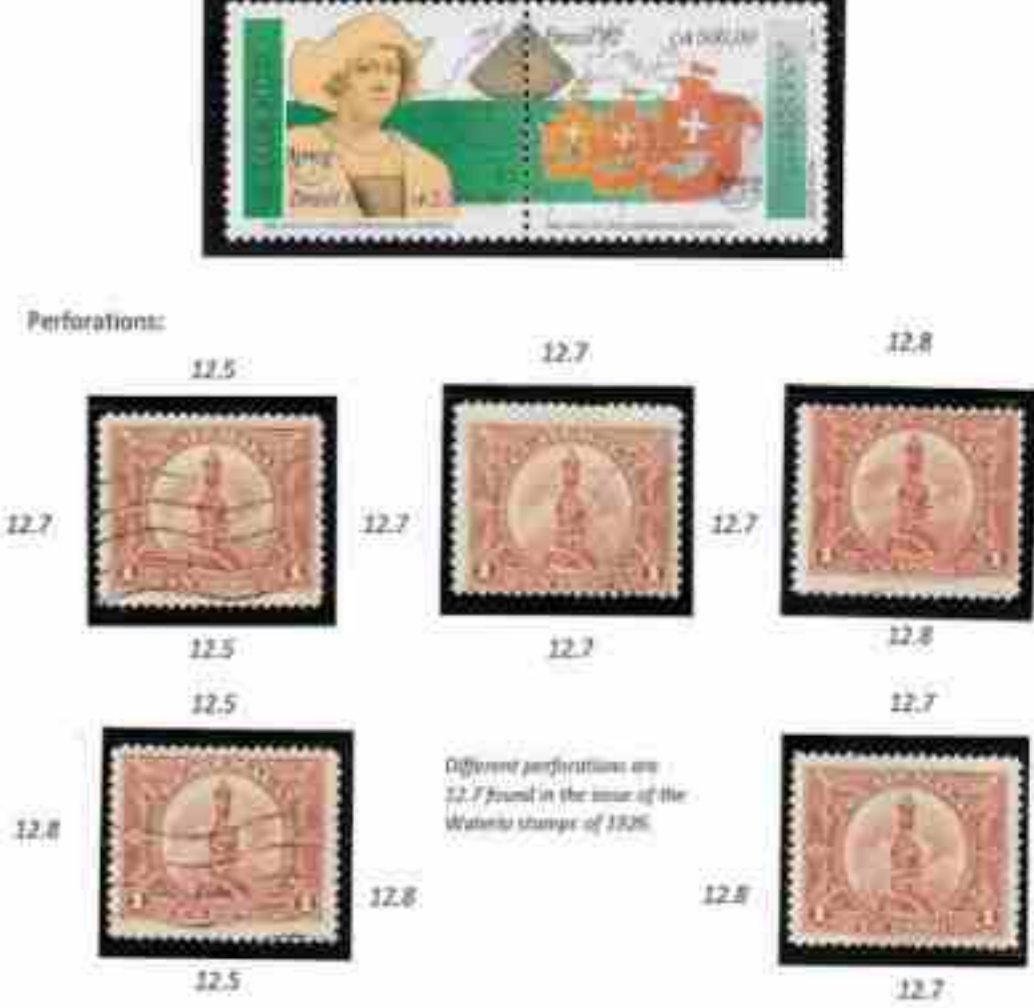

chirping the globe, emulating which satellite or space capsule orbiting the earth.

Source sheet

Christopher Columbus

Felipe, within his assigned tasks, imagined the work of an agile conqueror between seas and battles, he idealized the rough way of directing the conquest, but of course in the narratives of the History of the books, the story is told in a different way and not in the cluttered way. That he imagined, he opted for the narrative of the books, but in the end the teacher told him that he should put more imagination.

Perforations: 32.5, 32.7, 32.8, 32.7, 32.5, 32.7, 32.8, 32.5, 32.7, 32.8, 32.5, 32.7

Chess

Felipe explains to Mafalda how the pieces move, after explaining the movement of the horse, he tells her that the queen moves everywhere to which Mafalda exclaims "Chessky Sexy"

In board games, especially in chess Felipe was an expert! Of course, until on one occasion playing with Mafalda, he tries to explain the game to her and sees the multiple logistic black chess moves from right to left, the white castling, the coming of checkmate, a whole different game, reproaching, screaming, how was everything?

Source sheet

2.2 MANOLITO

The Beatles

The Beatles are not of aural animosity for manolito, he estimates that people are followers of them because they are millionaires. But they are wrong, those of wallstreet they are millionaires, they admire them since they do not make youth dance, but the world.

The Soccer

It is an enthusiastic clearance that, like an olive on a toothpick, fits into the saber of a statue of a general; his bruised eye on his, after having encouraged his teammates to play hard for being the Manhe Dayan of the goalkeepers; and the advertising message "Lentils in? Don Manolo Store", written on the ball after stopping it on the fly.

Source sheet

Antwerp, Belgium - Miami, Florida, USA

2.3 SUSANITA

Marriage & Family

In frequent dreams Susanita idealized her wedding, the celebration and the exit from the church where they were thrown the traditional rice. What a moment! But in that dream, having the advertisement that the rice is from the "Don Manolo" store immediately wakes her up. Agitated by what is happening, she yells at her parents about the need for a cheap psychoanalyst.

Ordinary Mail, Montevideo Uruguay - Guatemala, correct rate of 85 Pesos, September 2013

Susanita, her greatest aspiration in life is to marry a successful executive, live in a beautiful house with all the comforts and have many children, a beautiful family, in addition to being present in the most varied events of the cream and cream of society.

2.4 MIGUELITO

Miguelito is characterized by being naive and is surprised at any discovery, but his scant knowledge and limited imagination haven't him with empty and unimportant reflections. Usually, Miguelito made some reflection that could be considered as stupid or naive, the character who accompanied him has responded by assuming the stupidity of Miguelito's thought, and he responded with a comment that let the other character even more confused.

Mussolini

Miguelito expressed freely the characters influenced by his grandfather; Occasionally, Miguelito accompanied Mafalda to the beach, the little kid loving and contemplating the sun, he imagined how it illuminated Lincoln, Bolívar, Cervantes; he interrupted that line of illustrious people when he heard named the character of Mussolini, of which Miguelito has heard wonders.

Self-addressed stamps

Miguelito gets up and applauds in front of the whole classroom - he exclaims from the rooftops: "I wanted to call myself Batman, and also to be Swiss, and live in Switzerland!"
